It is the procedure of our docketing department to enter all due dates into our CPI computer database program. Such is the procedure for a Notice of Allowance. The file also gets flagged with the due date and the secretary enters the date on a docket sheet and reports out the Notice of Allowance to the client. No record in CPI or the file indicates that a Notice of Allowance was ever received or entered.

A statement from the practitioner attesting to the above is enclosed. It is respectfully requested that the abandonment of this application be rescinded, and a new Notice of Allowance be issued.

Should any fee be required, please charge Deposit Account No. 19-1013/SSMP.

Respectfully submitted,
